- Effective use of ICT in teaching learning process.
- Students as well as faculty are given opportunity of exposure to workshops, seminars and conferences to interact and learn.
- Student centric functioning with mentoring, counseling through teachers and Effective academic monitoring.
- Active NSS Unit.
- Safe and Secured Environment for girl students.
- Wide range of extension, co-curricular and extra-curricular activities.
- High standard of extracurricular activities and social outreach programmes.

Weaknesses:

- Insufficient numbers of class rooms.
- Inadequate research laboratories and facilities for enthusing faculty members.
- Insufficient recreation facilities for faculty members.
- Incomplete boundary wall throughout the campus.
- Inadequate infrastructure for sports and games.

Opportunities:

- To introduce job oriented and skill development, self employed courses and other emerging subjects.
- To open Post Graduate classes in some selected departments.
- To encourage research activity/ to develop a strong research culture in the college and /or to explore research potentials of the faculty and students.
- Exploring possibility of collaborative research with research institutions.
- To tap up fully the strong alumni base for developing infrastructure and to strengthen student support mechanism.

Challenges:

- Strengthen Industry-Institute Interaction.
- Encouraging students for competitive examinations and higher studies.
- Networking and strengthening relationship with stakeholders.
- Girl students with varied socio- economic background.
- To provide hostel facilities to all the needy students.
- To put it in a nut shell, it may be stated that even though much has been done, we realize that much also yet needs to be done
