College has completed two NAAC cycles. College is accredited with “B” grade by NAAC. The majority of the students admitted in this College come from the rural, economically backward and agriculture background for whom higher education is still out of reach. Apart from teaching, learning and research activities, the college is always keen to imbibe the co-curricular, social, environmental and cultural values among the students. Our success has been entirely due to the trust and confidence placed in us by our students and their guardians. We understand and acknowledge that their faith has enabled us to create the goodwill that we enjoy in society.
