Collaboration Certificate

I would like to express my willingness to serve as a collaborator for the Plant Disease Diagnosis and Taxonomic Study of Wood Rotting Fungi activities of Department of Botany, Swami Vivekanand Senior College, Mantha, Dist. Jalna (M.S.) India.

I will be able to contribute to the best my effort to this work, subject to availability of time and resources. This collaboration is part of research. I will provide scientific input and mentoring. Our lab would supply requested research materials and technical expertise to you.

Approval for this collaboration has been granted.

I look forward to working with you on this collaboration.

Prof. Ashok M. Chavan
