Students in the college coming from rural background for the better future they choose competitive examination as future perspective. Students appear in State level Police Bharti , Talathi , Banking , SSC exam , MPSC and Central level UPSC examinations. Recognizing the challenges faced by students from rural and economically weaker backgrounds, the college has prioritized initiatives to bridge the urban-rural educational gap. The college actively participates technology into learning by providing access to digital resources, virtual labs, and online courses, enabling students to compete on a global platform. Community engagement is another key focus, with students participating in rural development projects such as literacy drives, health camps, and environmental awareness programs by our college National Service Schme (NSS) .Our College Have three NSS unit with Capacity of 300 Student. Our College has transformed its campus into a green space. Over the past three years, more than 300 saplings have been planted under various tree plantation drives, significantly increasing the campus's green cover. The botanical garden, maintained by the Botany department, features medicinal plants and native species, contributing to biodiversity
